Dear Alan,

Further to our recent communication, I can confirm that between Jun 2020 and Dec 2020, I was reimbursed by Lochwinnoch Community Council, for expenditure relating to project activities for Lochwinnoch Food Committee, as detailed below:

Jun - Jul 2020 £6306.90

Sep - Dec 2020 £3094.10

£9400 of these monies were donations from third parties, fostered by the Community Council on behalf of our group.

Please do not hesitate to contact me if you require any further information.

Yours sincerely,
